Delegation of Powers

1.1 Introduction

Seevic College was established as an independent corporation on 1 April 1993 by the Further and Higher Education Act 1992.

The Corporation of Palmer's College was established under the Further and Higher Education Act 1992 for the purpose of conducting Palmer's College.

The Colleges of Seevic and Palmers merged on 1 August 2017 and the Corporation of Seevic-Palmer's College was established. The Corporation changed its name on 12 November 2018 to Unified Seevic Palmer's College, using the trading name of USP College.

The Manual sets out the arrangements made by the Corporation to address the key statutory responsibilities set out in the Instruments and Articles of Government, as prescribed by the Further Education Corporations (Former Further Education Colleges) (Modification of Instruments and Articles of Government) Order 2012 which came into force on 30 March 2012.

1.2 Role of the Corporation

The Articles charge the Corporation with the responsibility for oversight of USP's activities and the Articles define the respective duties and responsibilities of the Governing Body and the Principal and Chief Executive. Governors have responsibilities under current legislation as an employer, in particular for Health and Safety, Equal Opportunities and preventing discrimination.

The Education & Training Foundation and the Association of Colleges (AoC) identify two primary responsibilities of the Corporation as:

"The main business of the Governing Body (Corporation) is to determine the educational character of the college and to ensure its overall well-being and financial solvency".

1.3 Educational Character and Mission

The first element reflects the responsibilities set for the Board in the Articles of Government, which identify the first requirement as:

"the determination and periodic review of the educational character and mission of the institution and the oversight of its activities" (*Article 3(1)a*), and,

Approving the quality strategy of the institution. (*Article 3(1)b*).

Colleges are dynamic changing organisations that react or respond differently to the pressure for change placed upon them according to how they are managed or governed. Therefore, the determination of the educational character has a very particular importance, as the primary responsibility of the Board within the overall requirement is to take an overview of the whole institution when setting its future direction.

1.4 Financial Solvency

The second element, the responsibility of the Corporation for ensuring the statutory duties relating to **financial solvency** and the resources of the College, is set out in *Articles* 3(1) c and 3(1) d:

- i) “The effective and efficient use of resources, the solvency of the institution and the Corporation and the safeguarding of their assets”.
- ii) “Approving annual estimates of income and expenditure”.
- iii) The Conditions of Funding Agreement from the Education and Skills funding Agency (ESFA) states: “The Governing Body is responsible for, and shall inform the ESFA of, any transactions that could jeopardise financial viability. The Governing Body shall demonstrate that all transactions achieve value for money for funds”.

1.5 Distinctions between Governance and Management

The relationship between the Corporation and the Principal and Chief Executive is fundamental to the successful management of the affairs of USP, at the heart of which is the distinction between Governance and Management.

A College Employers Forum publication states:

“Dedicated part-time members of a board cannot, and it is cogently argued, should not, manage the affairs of the college, rather they should recognise their particular role and contribution and work in partnership and harmony with their Principal”.

Therefore, the overall aim of the Corporation should be to agree its operational framework and strategies to ensure that it is able to monitor progress in implementing them. This requires having objective and effective means of knowing whether the College is being properly managed to fulfil its mission, and that it is in good financial health.

Ofsted noted in its report, “How Colleges Improve” that successful colleges “Had well informed Governors who challenged managers vigorously on college’s performance.” Also,

“Except in the most unusual circumstances, it is not the function of the Governing Body to become involved in detailed scrutiny of the management and administration, and teaching programmes of the College. Rather, it will encourage the Principal to get on with the task, but within a clear framework of accountability, including the policies and objectives in the College’s strategic plan that the Governing Body itself has approved”.

Therefore, it is recognised that, to achieve this, it is both necessary and good governance for the Corporation to delegate matters to its Committees and to the Principal and Chief Executive (in accordance with the provisions of the Articles of Government), in a way that reflects the complexity of the college and the experience of the management team.

1.6 Delegation of Responsibilities by the Corporation of USP College

The Corporation accordingly delegates many of its functions to:

- its Committees
- the Principal and Chief Executive
- the Chair of Corporation

The arrangements for delegation are set out below, with the full text of the relevant Articles and appropriate extracts from the Conditions of Funding Agreement, in order to provide members with a clear statement of the arrangements for delegation in the context of the statutory provisions.

1.7 The Corporation

In accordance with its powers under the **Articles of Government** (Article 9), the Corporation **shall not delegate the following functions:**

- a) the determination of the educational character and mission of the institution,**
- b) the approval of the annual estimates of income and expenditure,**
- c) the responsibility for ensuring solvency of the institution and the Corporation and for safeguarding their assets,**
- d) the appointment of the Principal (or dismissal) or holder of a senior post,**
- e) the appointment (or dismissal) of the Clerk to the Corporation and**
- f) the modification or revocation of these Articles.**

Further, the **Conditions of Funding Agreement with the ESFA** states:

- The Governing Body of the College has responsibilities for ensuring that the College's funds are used only in accordance with the College's powers as set out in the Further and Higher Education Act 1992 and the College's own statutory duties and other obligations.
- The Governing Body is responsible for ensuring the solvency of the College and shall inform the ESFA of any transactions that could jeopardise financial viability. The Governing Body is responsible for achieving value for money in all transactions involving Public Funds.
- The Governing Body shall appoint an accounting officer with an appropriate separation of duties between executive and non-executive roles and responsibilities. The expectation is that the accounting officer will be the Principal of the College. The Governing Body shall inform the EFSA in writing the name and the position of the accounting officer and if the accounting officer is absent from the College for an extended period as determined by the College, the name of the person who will discharge the accounting officer's responsibilities during the absence.
- The College shall inform the EFSA in writing of the vacating of filling of the positions of chair of the Governing Body and Principal and the Clerk.
- The College must notify the ESFA in writing if there is a change to the Corporation name.

The Corporation is an independent body and the Governing Body is responsible for the management of the College and for ensuring the financial viability of the Corporation.

The Corporation is therefore responsible for financial, estates and employment matters, including:

- a) Monitoring financial performance and solvency, academic activities, including the achievement of students, management effectiveness and employment policies.
- b) Authorising significant expenditure or variations in budget allocations in accordance with the Financial Regulations.
- c) Determining the Financial Regulations.
- d) Determining the Property Strategy.
- e) Determining all other matters that are not delegated to a Committee, to the Chair or to the Principal and Chief Executive.

The Corporation will govern with an emphasis on:

- a) outward vision rather than internal preoccupation
- b) encouragement of equality and diversity
- c) strategic leadership over administrative detail
- d) distinction between board and executive roles
- e) decision making that is collective rather than individual
- f) the future, as opposed to the past and present
- g) proactivity rather than reactivity

1.8 The Chair

The Chair is responsible for ensuring on behalf of members that the business of the Corporation is appropriately organised by the Clerk and for acting as the communication link between Members and the Principal and Chief Executive.

From time to time, it will be necessary for the Chair, or the Vice-Chair in his or her absence, to act on behalf of the Corporation between meetings. There are occasions when issues arise which should be placed before the Corporation but the next scheduled meeting is too distant and it is not thought appropriate to call a special meeting. In such circumstances the Corporation **delegates to the Chair** authority to take action on behalf of the Corporation, after taking advice from the Principal and Chief Executive and the Clerk if this is appropriate, provided that;

- such a course of action is not contrary to the Articles of Government or other regulations,
- the Clerk to the Corporation, in consultation with the Chair and the Principal and Chief Executive, will judge if it is appropriate to seek the views of the Chair of the Committee associated with the issue,
- the actions taken by the Chair shall be reported to the next scheduled meeting of the Corporation, as appropriate.

In the case of discipline or grievance of a Senior Postholder the Corporation will follow the agreed procedures as outlined in the Disciplinary & Grievance Policies and Procedures for Senior Post Holders. Members of the Remuneration Committee will constitute the pool of members from whom a Special Committee shall be drawn - other eligible members may be co-opted for this purpose should the Remuneration Committee members be unavailable or ineligible.

1.9 Principal and Chief Executive

The Articles make the Principal and Chief Executive responsible for the organisation, direction and management of the College, including the effective working of the College's structures and systems, and for the leadership of the staff of the College.

The Statutory powers and duties of the Principal and Chief Executive are set out in **Article 3(2)**:

- a) making proposals to the Corporation about the educational character and mission of the institution and implementing the decisions of the Corporation;
- b) the determination of the institution's academic activities and other activities;
- c) preparing annual estimates of income and expenditure for consideration and approval by the Corporation, and the management of budget and resources within estimates approved by the Corporation;
- d) the organisation, direction and management of the institution and leadership of staff;
- e) the appointment, assignment, grading, appraisal, suspension, dismissal and determination, within a framework set by the Corporation, of the pay and conditions of service of staff, other than the holders of senior posts or the Clerk, where the Clerk is also a member of staff; and
- f) maintaining student discipline and, within the rules and procedures provided for within these Articles, suspending or expelling students on disciplinary grounds or expelling students for academic reasons.

Further under the **Conditions of Funding Agreement** the Principal and Chief Executive is identified as the Accounting Officer with the following responsibilities:

- The Governing Body shall require the Accounting Officer to take personal responsibility, which shall not be delegated, to assure them that there is compliance with the Conditions of Funding Agreement and all other terms and conditions of funding. The Accounting Officer may be required to appear before the Parliamentary Committee of Public Accounts on matters relating to the College's use of funds.
- The Accounting Officer shall be responsible for advising the Governing Body in writing if at any time, in his or her opinion, any action or policy under consideration by the Governing Body is incompatible with the Conditions of Funding Agreement. If the Accounting Officer has evidence that the Governing Body is acting in breach of the Conditions of Funding Agreement or any other terms and conditions of funding, the Accounting Officer shall inform the ESFA in writing.

The Corporation **delegates** further powers and **assigns responsibilities** to the Principal and Chief Executive as follows:

- (a) Informing the Corporation, its Committees or the Chair, as appropriate, of all significant matters, achievements, activities and events related to the work of the College.
- (b) Determining the employment policies of the College, and reporting annually to the Corporation.
- (c) Setting a framework for the pay and conditions of service of staff (except, as from time to time defined).
- (d) Setting a framework of rules relating to the conduct of staff, including discipline, grievance, dismissal and suspension procedures, and reporting annually on the framework to the Corporation.

- (e) Hearing any appeal against dismissal by a member of staff, where, in accordance with authority delegated by the Principal and Chief Executive, the dismissal has been carried out by another Senior Postholder.
- (f) Setting a framework of rules relating to the conduct of students, including suspension, expulsion, discipline, academic appeals and complaints procedures, and reporting annually on the framework to the Corporation.
- (g) Making any rules and bye-laws for the government and conduct of the College.
- (h) Determining all matters relating to the establishment, constitution and conduct of any student body or other social or representative organisation for students, and reporting annually to the Corporation.
- (i) Preparing or authorising the College's responses and communications to other organisations (including the ESFA) in accordance with Corporation policy.
- (j) The Principal and Chief Executive shall not cause or allow any practice, activity, decision or organisational circumstances that is unlawful, imprudent, or in violation of generally accepted business and professional ethics or generally accepted accounting practices.

With respect to the treatment of students and staff of the organisation, the Principal and Chief Executive shall not cause or allow any practice, activity, decision or organisational circumstance that would cause or allow conditions that are unsafe, unfair or undignified.

1.10 Monitoring and Statutory Responsibilities

The Corporation "should be supplied in a timely manner with information in a form and of a quality appropriate to enable it to discharge its duties", [Higgs Report - Principles of Good Governance]. To that end, an annual calendar of Corporation and Committee meetings will be drawn up by the Clerk, in liaison with the Chair, Committee Chairs, the Principal, and members of the College Leadership Group. The calendar will identify the key standing reports and business items that will enable the Corporation to fulfill its monitoring role, and meet its statutory responsibilities.

Reports should be written at executive summary level, with context given to the subject matter of the report and restatement of relevant key performance indicators, targets, and local and college benchmark data; an executive summary, together with expected outcomes and relevant supplementary information, should provide Members with the information necessary to fulfill their responsibilities.

It will be the responsibility of members to "constructively challenge and contribute to the development of strategy" and "scrutinize the performance of management in meeting agreed goals and objectives and monitor the reporting of performance", satisfying themselves "that financial information is accurate and that financial controls and systems of risk management are robust and defensible". [Higgs Report-Code of best practice].

1.11 Corporation Committees

The Corporation has established the following Committees:

- Risk and Audit
- Finance and Resources
- Quality
- Remuneration
- Search and Governance

The Corporation **delegates** powers and responsibilities set out in the terms of reference. The Corporation shall appoint the Committee Chairs.

The current membership of the Corporation and its Committees is set out in Membership of Committees this may be varied from time to time by resolution of the Corporation.

1.12 Review

The Corporation agrees to review annually the operation and appropriateness of the delegation of powers and responsibilities.

1.13 Statements Made on Behalf of the Corporation or the College

Unless otherwise agreed by the Corporation to meet the needs of specific circumstances, **it is agreed that** the following will only make statements on behalf of the Corporation:

- the Chair
- the Principal and Chief Executive
- the Clerk

It is recognized that the majority of items, which require public statement, concern the strategic management and day-to-day operation of the college and thus are dealt with by the Principal and Chief Executive.

Members should exercise care in responding to correspondence and avoid implying that they speak on behalf of the College or Corporation, except when specifically authorized. Advice should be sought from the Clerk, the Chair or the Principal in such circumstances.

1.14 The Corporation Seal

The Corporation Seal is affixed to certain documents to express the Corporation's intention to bind the College. The application of the seal of the Corporation shall be authenticated by:

- a) the signature of either the Chair (or another member of the Corporation with the exception of the staff and student governors).
- b) the signature of any other member (with the exception of the staff and student governors).

3.1 Introduction

Nothing in this document overrides the provisions of the Instrument and Articles of Government of USP College, which are the primary authority for guidance on the conduct of the Corporation’s business. However, this document sets out supplementary rules incorporating those additional protocols and practices, which have been adopted. It is the authoritative source on these matters and replaces all previous decisions of the Corporation in these respects.

Every Member of the Corporation and of its Committees shall be bound by these Orders and shall be expected to adhere to the seven principles of public life, as recommended by the Nolan Committee’s report “Standards in Public Life”. In summary, these are:

- selflessness;
- integrity;
- objectivity;
- accountability;
- openness;
- honesty; and
- leadership.

It is the responsibility of the Clerk to the Corporation to interpret the following documents and to advise the Corporation (or if appropriate the Chair of the Corporation or the Chair of one of its Committees) if at any time it appears that the Corporation (or an individual member of the Corporation) is in breach of the:

- Instrument and Articles of Government
- Standing Orders for the Conduct of Meetings and Related Issues

A number of other documents will be taken into account when conducting Corporation business:

- Education and Skills Funding Agency Conditions of Funding Agreement
- The Code of Conduct for Members of the Corporation
- Purposive Governance – Eversheds' annotated office copy of the Instrument and Articles of Government.

In addition to the documents referred to above, the Clerk will have regard to developing custom and practice in the conduct of the work of the Corporation.

Members are appointed on the recommendation of the Search and Governance Committee and in accordance with the Selection and Recruitment of Governors Policy, Appendix 4.1.

Members will normally be appointed to a four-year term of office and will not normally be eligible to serve more than two consecutive terms of office. Given that there is also a balance to be maintained between seeking new members of the Corporation and making use of experienced members, particularly at times when a number of terms of office come to an end, the Search and Governance Committee will seek to adopt this advice but may unusually make recommendations that a third term of office be served. On such occasions, the Committee will outline clearly the reasons for this recommendation.

3.2 Attendance by Members at Meetings of the Corporation and Committees

Members shall attend, as far as is reasonably practicable, all meetings of the Corporation and those Committees of which s/he is a member.

If unable to attend a meeting, Members shall notify the Clerk and will give as much notice as possible of their absence.

If the Clerk judges that a meeting will not be quorate, s/he will immediately inform the Chair (See also 3.4).

The Clerk will maintain a register of attendances at meetings for future reference by Members and other interested parties.

The Corporation will consider removing a Member from office if s/he has been absent from meetings of the Corporation for a period longer than six consecutive months without the permission of the Corporation; or if s/he is unable or unfit to discharge the functions of a Member. The Corporation will consider removing a Committee member from the Committee if s/he has been absent from meetings of the relevant Committee for a period longer than six consecutive months without the permission of the Corporation; or if s/he is unable or unfit to discharge the functions of a member of the Committee.

3.3. Membership of Committees

The Corporation shall determine the membership of the Committees of the Corporation, having regard to the provisions of the Articles of Government. The current Standing Committees of the Corporation is shown in “*Delegation of Powers*”.

On expiry of the term of office of a member of the Corporation, their Committee membership as well as their Corporation membership shall be reviewed by the Search Committee, with recommendations made to the Corporation.

The period of office for the Chairs of the Committees will be two years, or the expiry of their Corporation membership, whichever is the shorter amount of time. The Chair will be eligible for reappointment following the completion of their term of office.

In the event of a vacancy arising for the Chair of a Standing Committee, nominations will be sought from among the existing Corporation members. Co-opted Committee members, emeritus members, the Principal and Chief Executive, and Staff and Student Members will not be eligible to be appointed as Chair of a Committee.

If the Chair of the Committee is absent from any meeting of the Committee, the members present shall choose one of their number to act as Chair for that meeting, provided that the member chosen shall not be a co-opted member, an emeritus member, the Principal or a staff or student member.

In the event of a vacancy arising on a Committee, nominations for membership will be sought from among the existing Corporation members, with the following exceptions:

- In accordance with the ESFA Audit Code of Practice, if there is a vacancy for a co-opted member of the Risk and Audit Committee, nominations will be sought from appropriate external bodies for a member with relevant skills and experience.
- Student Members will not usually be eligible for appointment to Committees.
- Staff and Student Members will not be eligible for appointment to the Risk and Audit Committee or Remuneration Committee.

In the event that the dismissal of a Senior Postholder is being considered, a Special Committee will be convened in accordance with the Articles of Government. The Special Committee will consist of at least three Corporation members. The Chair of the Corporation, the Vice-Chair, the Principal and Chief Executive, emeritus members and Staff and Student Members will not be eligible for membership of the Special Committee.

An Appeals Committee required to convene in accordance with Articles 16, 17 or 18 of the Articles of Government will consist of at least three Corporation members. The Principal and Chief Executive, emeritus members and Staff and Student members will not be eligible for membership of the Appeals Committee. The Chair of Corporation and the Vice Chair will not be eligible for membership of the Appeals Committee in the event of the suspension or dismissal of a Senior Postholder. Members of a Special Committee convened in the event of the dismissal of a Senior Postholder will not be eligible for membership of an ensuing Appeals Committee.

The Chair of the Appeals Committee or Special Committee shall be selected by the Committee.

The Appeals Committee and the Special Committee are authorised to seek any relevant information from any member of staff of the Corporation or any relevant third parties, and all members of staff are directed to cooperate with any reasonable request made by the Committee. The Appeals Committee and the Special Committee may, if they consider it appropriate, seek guidance from the most senior member of the Human Resources department or obtain legal or other independent professional advice.

The Clerk to the Corporation shall act as Clerk to the Appeals Committee and Special Committee. However, if the Clerk to the Corporation is the subject or is materially involved, the Corporation will appoint an alternative Clerk. The Clerk to the Committee (or alternative) shall be responsible for the production and appropriate circulation of all minutes, papers and correspondence arising in connection with any meetings convened by the Committees or any investigations.

At a hearing the Appeals Committee and Special Committee will first ensure that the Committee's role and the procedure to be followed are understood by all the persons attending the hearing. On conclusion of the appeal hearing, the Committee shall deliberate over its findings in private.

3.4. Quorum

The arrangements in relation to quoracy for meetings of the Corporation and its Committees are as follows:

- For meetings of the Corporation, meetings shall be quorate if the number of Members present is at least 40% of the membership as determined by the Corporation.
- For meetings of the Risk and Audit Committee, the quorum shall be three.
- For meetings of the Search and Governance Committee, the quorum shall be two.
- The quorum of the Remuneration Committee shall be two, of which one shall be the Chair of the Committee.
- For meetings of the Finance and Resources Committee, the quorum shall be three.
- For meetings of the Quality Committee, the quorum shall be three, two of which must be independent members.
- For meetings of the Special Committee, the quorum shall be three.
- If the Clerk judges that a meeting will not be quorate, s/he will immediately inform the Chair.
- In the event that the number of Members present at a Corporation or Committee meeting does not constitute a quorum within 30 minutes of the advertised starting time, the meeting shall not be held.
- If, in the course of a Corporation or Committee meeting, the number of Members present ceases to constitute a quorum, the meeting will be terminated.

3.5. Publication of Minutes and Papers

With the exception of excluded items (see paragraph below) the minutes and papers of the meetings of the Corporation are available for inspection during the normal office hours of the College as follows:

- By staff and students of the College, in the Library at Palmer's and Seevic Campuses.
- By members of the public, on application to and by prior arrangement with the Clerk to the Corporation.
- On the USP College website.

Excluded Items: The following items will be regarded as confidential items and thus will not be available for inspection:

- a matter concerning a named person employed at or proposed to be employed at the College;
- a matter concerning a named student at, or candidate for admission to, the College;
- material relating to the Clerk;
- any matter which, by reason of its nature, the Corporation is satisfied should be dealt with on a confidential basis;

Decisions on confidentiality will initially be made by the Chair or Chair of the Committee on the advice of the Clerk (and after consultation with the Principal and Chief Executive), but may be questioned by the Members entitled to attend any meeting. The final decision may then be taken by the meeting.

In the interests of openness, the Chairs of Committees of the Corporation shall provide a termly report for the Corporation unless the Committee has not met since the previous meeting of the Corporation. The report will summarise the work of the Committee and include the minutes of the Committee except where the Chair of the Committee (in consultation with the Clerk or Principal and Chief Executive if appropriate) determines that a matter is properly confidential by reference to Standing Order 5.2 above. In which case, only the existence of a confidential resolution and the general topic of the resolution will be included in the report.

Minutes and papers that are regarded as confidential will be reviewed at the end of the corporation year to ascertain whether the paper is still confidential.

Marking an item as confidential would not preclude consideration of that 'mark' should an information access request be made. The Chair of Corporation, or Vice-Chair in his/her absence, will decide if the information request is to be met, taking advice from the Clerk, the Principal, and Committee Chair if appropriate. In taking that decision, he/she will give due consideration to legislation on information sharing. Advice from external sources may be sought, including legal advice.

Should an information access request be received for information originally classified as confidential after the 'release' date set by the board, the Clerk will make the information available through the appropriate college Information Access request procedure.

The Clerk will provide an annual report to the Corporation, reviewing the confidential material information access requests that have been made in the previous twelve months and including any information, following an information request that has been released earlier than the release date defined by the board.

3.6. Access to Meetings of the Corporation

Members of the Corporation and the Clerk will be entitled to attend all meetings of the Corporation.

Public right of access to Corporation meetings: members of the public who wish to attend all or part of a Corporation meeting are asked to advise the Clerk to the Corporation in the first instance, to facilitate meeting arrangements and advance papers, and to ensure that the requirements of the (Instrument of Government 14.5, 16 and 17.2) are met.

The Corporation and its Committees will determine, from time to time, whether it will permit or require attendance of non-members of the Corporation or a Committee at meetings.

No person other than a member of the Committee and/or the Clerk to the Corporation shall be entitled to attend meetings of the Committee except at the invitation of the Committee.

Senior staff of the College may be invited or required to attend to present or contribute to relevant agenda items of Corporation or Committee meetings by the Chair of the Corporation or Committee.

The Corporation places responsibility on the Principal and Chief Executive and Clerk to ensure that members of their staff withdraw from meetings as and when the need arises. Such an arrangement avoids potential embarrassment for all parties. If, however, one or more members of the Corporation believe that members of the staff should withdraw from a meeting for a particular item they are required to bring this to the attention of the meeting. The Corporation or the Committee will then decide on the matter.

3.7. Proceedings of Meetings

Every question to be decided at a meeting of the Corporation or Committees shall be determined by a majority of the votes cast by the Members present and entitled to vote on the question.

Where there is an equal division of votes the Chair shall have a second or casting vote.

A Member may not vote by proxy or by postal vote.

The normal way of voting will be by a show of hands. If a majority of Members present and entitled to vote on a particular issue so wish, the vote may be conducted by secret ballot. It is envisaged that such an arrangement will be needed only in exceptional circumstances.

No resolution (decision) by the Corporation may be rescinded or varied at a subsequent meeting unless consideration of the rescission or variation is a specific item of business on the agenda for that meeting.

The withdrawal of Members from meetings of the Corporation for particular items is dealt with in the Instrument of Government (specifically Clause 14).

There will be occasions when an individual Member should declare an interest – not necessarily a financial interest – in an issue due to, for example, membership of an outside body.

The reports received by the Corporation shall normally include a clear recommendation. Although the Corporation may often adopt the recommendation of the Clerk and/or Principal and Chief Executive, it is for the Members to determine an alternative approach to the recommendation outlined in a particular report before the Corporation if a Member puts this forward.

Any matter of substance shall be the subject of a resolution.

Members are required to comply with the doctrine of collective responsibility and stand by a decision even if it was not supported unanimously.

At any time during a discussion a Member may raise a point of order where it is believed that the provisions of the Instrument and Articles of Government and/or the Standing Orders and/or another recognised authority are being ignored. The Member raising the point of order will be required to explain the way in which the correct procedure is not being followed. The Chair will deal with a point of order immediately. The ruling of the Chair after the advice of the Clerk has been obtained will be final and shall not be challenged further at the meeting.

Discussions at meetings of the Corporation will be conducted through the Chair.

Members are required to respect the right of others to express their personal views although nothing should be said or done which could bring the Corporation into disrepute.

3.8. Minuting of Corporation Meetings

At every normal meeting of the Corporation, the minutes of the last meeting will be taken as an agenda item and, if agreed to be accurate, will be signed by the Chair of the meeting. At each scheduled Committee meeting the minutes of the last meeting shall be taken as an agenda item and, if agreed to be accurate, will be signed by the Chair of the Committee.

It is important that there is clarity in recording the business of the Corporation and its Committees. As the statutory responsibilities of both the Corporation and the management of the College are significant, all parties to discussion need to have a common understanding of decisions and their weight.

Minutes of meetings will report briefly the discussion that takes place on an issue, and clearly record the course of action adopted.

Discussions on agenda items that lead to a common (but often informal) understanding of the way to view an issue or the direction in which to proceed will be signalled by the use of the word 'agreed'.

A conclusion to a debate on a written motion will have more weight and more precision. The decision will be signalled in the minutes by the use of the word 'approved'.

Other terms may also be appropriate from time to time, such as 'noted' or 'received'.

3.9 Appointment of the Chair and Vice-Chair of the Corporation

The Instrument of Government provides for the Corporation to appoint a Chair and Vice Chair from among their number.

The procedure for appointment of a Chair is contained in **Appendix 4.2** and that for the appointment of a Vice Chair is contained in **Appendix 4.3**.

If both the Chair and Vice Chair are absent from any meeting of the Corporation, the Members present shall choose one of their number to act as Chair for that meeting.

The period of office for the Chair and Vice Chair will be two years. The Chair and Vice-Chair are eligible for re-appointment following the completion of their respective terms of office.

3.10 Agendas for Meetings

The business of a formal meeting will be clearly set out in an agenda. The agenda will be determined by the Chair of the meeting taking account of advice from the Clerk and the Principal and Chief Executive and of the right of the Members and the Clerk to put forward matters for consideration.

Members of the Corporation are asked, where possible, to give prior notice to the Clerk or the Chair of their intention to raise an item of urgent business, the subject matter and the reason for the urgency.

Agendas for meetings of the Corporation, Committees and working groups will include "Declaration of interests arising from the agenda".

3.11 Servicing the Corporation

The Clerk to the Corporation is responsible for the servicing and supporting of the Corporation, its Committees and any other groups established from time to time.

The Corporation has approved a detailed job description for Clerk to the Corporation, which sets out the role and responsibilities.

No resolutions of the Corporation should be made without the Clerk being in attendance at the meeting to carry out the servicing role.

It may be appropriate for the Chair of the Corporation or Committee to require the Clerk to withdraw from a meeting when consideration is to be given to the conduct or remuneration of the Clerk. On those relatively rare occasions when the Clerk is not present for a specific item on the above grounds, the Chair will be responsible for preparing a note of the discussion for inclusion in the minutes.

In the absence of the Clerk to the Corporation due to illness or other good and urgent cause, the Chair will make arrangements, following discussion with the Principal and Chief Executive and, if possible, the Clerk to the Corporation, for someone other than a Member of the Corporation to carry out the role on a temporary basis.

3.12 Resolving Difficulties

It is the responsibility of the Clerk to the Corporation to make known any concerns that the Corporation is acting inappropriately or even beyond its powers. There may be exceptional circumstances when the Clerk feels that her or his advice is being disregarded or overlooked and because of this the proper conduct of the Corporation is being put at risk. Should the Clerk raise concerns, the Corporation will consider this as an immediate item of business.

The Corporation has noted the FEFC Guide for Clerks on resolving difficulties. Consequently, should the need arise; the Clerk may seek advice from the ESFA. If such action is taken the Clerk will inform the Chair and Principal and Chief Executive accordingly.

Before the Clerk refers a matter to the ESFA s/he will try to overcome the difficulties by taking some or all of the following actions with the hope that the matter of concern can be reviewed:

- the concerns of the Clerk to be put in writing to the Chair and Principal and Chief Executive;
- report the concerns to a meeting of the relevant Corporation Committee or the full Corporation;
- consult the financial statements auditor;
- obtain legal advice if there is a disagreement about whether an action may be unlawful.

3.13 Senior Postholders

In addition to the Principal and Chief Executive, a small number of members of the College's staff are designated by resolution of the Corporation as Senior Postholders. This incorporates a number of employment rights and duties under the Articles of Government and their remuneration, appraisal and disciplinary conditions are the responsibility of the Corporation. In addition, the Clerk to the Corporation has an equivalent agreed employment status under the Articles of Government.

Current Senior Postholders are the Principal and Chief Executive, Chief Operating Officer, the Vice Principal Partnerships, Funding and Business Planning, Deputy Principal Corporate and Student Services and the Clerk to the Corporation.

There is an approved Disciplinary and Grievance Procedure in place for Senior Post Holders.

3.14 Membership of the Corporation – Availability of Information to the Public

A list of the names of Members of the Corporation will be available for inspection on request from the Clerk.

Any person wishing to write to Members of the Corporation may do so by providing the Clerk to the Corporation with sufficient copies of any documentation.

Normally no charge will be made for postage for forwarding a document to Members, although the Clerk to the Corporation will use discretion when considering if the costs to be incurred are reasonable. Thus a charge could be made to cover direct and indirect costs as a condition of forwarding documentation.

Addresses and telephone numbers of Members of the Corporation will not be made available to third parties.

The Clerk will maintain a register of the financial and other declared interests of Members of the Corporation. The Clerk will arrange to make this available during normal office hours on receipt of a written request.

3.15 Complaints against the Corporation or Against Individual Members

The ESFA has a formal procedure for considering complaints against the Corporation, or against individual Members, and these should be addressed to:

The Council Secretary,
Education and Skills Funding Agency,
Cheylesmore House,
Quinton Road,
Coventry,
CV1 2WT

However, the ESFA will not normally deal with complaints unless they have been first registered under the College complaints procedure, and the complainant is dissatisfied with the College investigation of the complaint or the redress offered. The College procedure for consideration of complaints against the Corporation or individual Members is set out in **Appendix 4.6**.

3.16 Payments to Members (Including Co-Opted Committee Members)

No payment shall be made to any Member of the Corporation or any co-opted member of a Committee for any kind of service to the College, except as detailed in **Appendix 4.9**.

3.17 Amendments to The Standing Orders for The Conduct of Meetings and Related Issues

The Clerk on behalf of the Corporation will ensure that the provisions of this document are reviewed annually with the intention of suggesting to the Corporation improvements/amendments to meet changed circumstances.

3.18 Register of Governors' Interests

The Corporation shall ensure that the Clerk keeps a Register of Members in accordance with **Appendix 4.10** to this manual. It shall be available on request for viewing by the general public during normal office hours, by arrangement with the Clerk.

It is a condition of membership of the Corporation that any interest financial or otherwise which is likely, or would if publicly known, be perceived as being likely to interfere with the exercise of a members' independent judgement, shall be disclosed to the Corporation.

The Clerk shall keep a register of members' interests in the format shown in **Appendix 4.11** which enables members to disclose business interests in a manner which is open and transparent and demonstrates to the public that such interests have not influenced the Corporation's decision making process.

A guide to disclosure is included in **Appendix 4.12**

A member shall provide the same information, if known to him/her, in respect of his/her spouse, partner, children or other close relatives.

3.19 Reimbursement of Governors' Expenses

4.1 Policy and Procedure for the Selection and Recruitment of Governors

4.1.1 Policy

The Search & Governance Committee has the responsibility for advising the Corporation on all aspects of the Corporation's membership, including the appointment and re-appointment of Governors.

The Clerk to the Corporation has the responsibility to bring to the attention of the Search & Governance Committee when a Governor's term of office is close to expiry. The Clerk to the Corporation also has the responsibility to identify vacancies on the Board and to identify specific skills set requirements.

The Committee shall consider the recommendations of the Nolan Committee together with the skills sets when considering appointments to keep the skills mix of the Corporation under review and to attempt to match potential members to vacancies with a view to make appropriate improvements if possible.

4.1.2 Procedure

The Clerk to the Corporation shall report the name of any Governor whose term of office is nearing expiry to the Search & Governance committee. This must be done with sufficient time for the Committee to report to the Corporation at its last meeting before the term of office expires. If the Governor under consideration is a member of the Search & Governance Committee, and has expressed the wish to continue to serve a further period as a Corporation Member, that Governor shall withdraw from the meeting and take no part in the discussion or decision in relation to his/her future membership of the Corporation.

The Search & Governance Committee will consider whether to make a recommendation to the Corporation that the Governor is to be appointed for a further term of office. The Committee's decision shall be based on the following:

- An application from the Governor that they be appointed to the Corporation for a further period
- Whether the skills and experience of the Governor are still required
- The Governor's contribution and commitment to the work of the Corporation
- Attendance
- The length of the Governor's previous service on the Corporation
- If it is appropriate to look to refresh the range of skills and experience available to the Corporation

A Governor's term of office will automatically expire unless the Search & Governance Committee recommends further appointment and the Corporation accept the recommendation.

A Governor shall not generally serve more than two consecutive periods of four years, or in excess of eight years, where the terms of appointment are shorter. The Search & Governance Committee may recommend to Corporation that this general rule is waived if there are reasons for a Governor being appointed for a further term of office (e.g., appointment to the Chair of Corporation)

The Clerk to the Corporation shall advise the Governor of the Committee's decision.

Where the Corporation decides to appoint an existing Governor for a further term of office, the appointment shall be made in accordance with the Instrument of Government of the College.

Appointments

It is a condition of appointment for all Governors that they must:

- Undergo a Criminal Records Bureau (CRB) check (new governors only)
- Declare their interests in the form determined by the Corporation
- Declare their eligibility for Corporation membership
- Agree to be bound by the Code of Conduct approved by the Corporation

With the exception of the Principal (for whom separate arrangements apply), the Corporation shall only appoint Governors in line with the Safer Recruitment & Selection Policy

Term of Office

Appointments and re-appointments for General Governors can be up to a period of 4 years as per the Corporation's Instruments and Articles but no appointment will exceed a period of 8 years in total.

The length of appointment will be dependent on the requirements of the Corporation at the time of appointment or re-appointment and can be for a period of between 1 and 4 years.

Staff Governors

When the term of office of a Staff Governor is nearing expiry, or the member of staff leaves the College, or a vacancy arises for another reason, the Clerk to the Corporation will oversee the arrangements for the appointment of a new Staff Governor.

There are two Staff Governors, one from each campus and who may be teaching or non-teaching members of staff, who will be nominated and elected by all staff. Staff Governors must hold a permanent contract of employment with the College.

When there is a vacancy for a Staff Governor, the selection process by the staff shall be as follows:

- Staff in the category appropriate to the vacancy (i.e., teaching, non-teaching or cross-college) will be invited to nominate staff for selection on the form agreed by the Clerk to the Corporation
- If there is only one nominee, that person's name will be put forward to the Corporation who shall appoint the nominee provided that s/he is eligible for Corporation membership;
- Where there is more than one nominee, a ballot will be held in which all permanent members of staff shall be entitled to vote;
- The Clerk to the Corporation shall determine the arrangements for the ballot and oversee the issue and receipt of the ballot papers, this can be in paper format or electronic;
- The name of the member(s) of staff elected shall be put forward to the Corporation who shall appoint the nominee(s) provided that s/he is eligible for Corporation membership

Student Governors

There shall be no more than two student governors, one from each campus. Student Governors must be students of the College.

When the term of office of a Student Governor is nearing expiry, the student leaves the College or a vacancy arises for another reason, the Clerk to the Corporation, in conjunction with Student Services management, will oversee the arrangements for the appointment of a new Governor following selection by the students of the College.

- Students will be invited to nominate students for selection on the form agreed by the Clerk to the Corporation
- If there is only one nominee, that person's name will be put forward to the Corporation who shall appoint the nominee provided that s/he is eligible for Corporation membership;
- Where there is more than one nominee, a ballot will be held in which all students shall be entitled to vote;

The Principal

The Principal shall be a Governor of the College unless s/he chooses otherwise.

Separate arrangements apply to the selection and appointment of the Principal.

Co-opted Governors

In order to provide the skills that have been identified as missing, and where it is appropriate to do so, the Corporation can appoint someone who is not a Governor but who has the skills deemed necessary, onto a Committee. Such a person will be known as a Co-opted Governor.

The appointment of a Co-opted Governor will be subject to the same procedures as a General Governor, as set out in the College's Safer Recruitment & Selection Policy.

COLLEGE CODE OF CONDUCT FOR CORPORATION MEMBERS

(Made by the Corporation on 25 September 2018 and subsequently reviewed and approved by the Corporation annually on the recommendation of the Search and Governance Committee.)

1. INTRODUCTION

- 1.1 This Code is intended as a guide, to indicate the standards of conduct and accountability which are expected of Corporation Members, to enable them to understand their legal and ethical duties and to assist them both in carrying out those duties and in their relationship with the Corporation and Principal as the Chief Executive. This Code therefore is aimed at promoting effective, well informed and accountable college governance, and is not intended to be a definitive or authoritative statement of the law or good practice.
- 1.2 In addition to this Code, Corporation Members are recommended to familiarise themselves with the source documents listed in the Schedule.
- 1.3 If a Corporation Member is in doubt about the provisions of this Code or any of the source documents, the Clerk should be consulted and, if necessary, professional advice should be obtained. However, ultimate responsibility for the appropriateness of conduct as a Corporation Member of the College and for any act or omission in that capacity rests with the individual Corporation Member.
- 1.4 This Code applies to every committee or working party of the Corporation and to every subsidiary company or joint venture of the College to which Corporation Members may be appointed.
- 1.5 By accepting appointment to the Corporation, each Corporation Member agrees to accept the provisions of this Code.
- 1.6 Each Corporation Member by accepting the provisions of this Code agrees that any breach of the Code by them may lead to the termination of their appointment as a Member in accordance with clause 10 of the Corporation's Instrument and Articles of Government.

- 2.7 'ESFA' means the Education and Skills Funding Agency or any successor body;
- 2.8 'Secretary of State' means the Secretary of State for Education
- 2.9 all other definitions have the same meanings as given in the College's Instrument and Articles of Government; and
- 2.10 words importing one gender import any gender.

3. **AIMS AND VALUES**

- 3.1 The College Mission Statement is considered and approved by the Corporation on an annual basis in conjunction with consideration of the College Strategic Plan.
- 3.2 The College Mission Statement, together with the corporate objectives of the College agreed by the Corporation from time to time, seeks to encapsulate the core purposes and aims of the College. Corporation Members should have due regard to these purposes and aims when conducting the business of the Corporation and considering the activities and proposed activities of the College.
- 3.3 The Corporation recognises its obligations to all those with whom it and/or the College have dealings, including students, employees, suppliers, other educational institutions and the wider community. In particular, the Corporation is committed to:
- having close regard to the voice of the student;
 - combating any discrimination within the College on the grounds of the characteristics protected by the Equality Act 2010 ("the 2010 Act") and promoting equality in accordance with its duty under the 2010 Act;
 - upholding the principles set out in the College Charter, copies of which are available from the Clerk;
 - engaging with the community which the College serves in order to understand and meet its needs, and
 - observing its duty under the Education (No.2) Act 1986 to take reasonable steps to ensure freedom of speech for members of the College community and visiting speakers and its duty under the Counter Terrorism and Security

Act 2015 to have regard to the need, when exercising its functions, to prevent people from being drawn into terrorism.

3.4 The Corporation is also committed to ensuring that it conducts its business in accordance with the highest ethical standards as set out in more detail in this Code.

4. **DUTIES**

4.1 Corporation Members are in the position of charity trustees and as such owe a fiduciary duty to the College. This means that they should show it the highest loyalty and act in good faith in its best interests. Each Corporation Member should act honestly, diligently and (subject to the provisions appearing in paragraph 10 of this Code relating to collective responsibility) independently. The actions of Corporation Members should promote and protect the good reputation of the College and the trust and confidence of those with whom it deals.

4.2 Decisions taken by Corporation Members at meetings of the Corporation and its committees must not be for any improper purpose or personal motive. Decisions taken must always be for the benefit of the College, its students and staff and other users of the College and must be taken with a view to safeguarding public funds. Accordingly, Corporation Members must not be bound in their speaking and voting by mandates given to them by other bodies or persons (including the bodies that elected them).

4.3 Corporation Members must observe the provisions of the College's Instrument and Articles of Government and in particular the responsibilities given to the Corporation by the College's Articles of Government. Those responsibilities, including a list of "reserved" responsibilities which are so important that they must not be delegated, are set out in Appendix 3.

4.4 Corporation Members should comply with the Terms of Reference and Standing Orders of the Corporation and its committees to ensure that the Corporation conducts itself in an orderly, fair, open and transparent manner. Corporation Members must keep those Standing Orders and terms of reference under periodic review.

4.5 Corporation Members should also have regard to the different, but complementary, responsibilities given to the Principal as the College's Chief Executive. The responsibilities given to the Principal by the College's Articles of Government are set out in Appendix 4. Whereas it is the Corporation's function to decide strategic policy and overall direction and to monitor the performance of the Principal and any other senior postholders, it is the Principal and Chief Executive's role to implement the Corporation's decisions, and to manage the College's affairs within the budgets and framework fixed by the Corporation. Corporation Members should work together so that the Corporation and the Principal as Chief Executive perform their respective roles effectively.

4.6 Corporation Members should refer to the Clerk for advice relating to the governance functions which are set out in Appendix 4 and have regard to the Clerk's independent advisory role.

5. **STATUTORY ACCOUNTABILITY**

5.1 Corporation Members are collectively responsible for observing the duties set out in the Conditions of Funding Agreement which the College has entered into with the ESFA and the Funding Agreement which the College has entered into with the ESFA as a condition of receiving public funds. A brief summary is set out in Appendix 5.

5.2 Although the ESFA is the main provider of funds to the College, Corporation Members should note that they are also responsible for the proper use of income derived from other sources, such as the Office for Students (OfS) and the European Union (EU) and for the control and monitoring of expenditure of such income, in order to meet the requirements of the relevant funding body and public audit. Where funding is received directly from the OfS the College will have a funding agreement with the OfS, as set out in the OfS's terms and conditions of funding for further education and sixth form colleges, which sets out the basis on which such funding is provided. Where OfS funding is received indirectly via a collaboration with an OfS funded institution such funding will be subject to obligations contained in the memorandum of co-operation between the College and that institution.

5.3 As accounting officer for the ESFA, its Chief Executive is directly responsible and accountable to Parliament for ensuring that the uses to which the ESFA puts its funds are consistent with the purposes for which the funds were given and comply with the conditions attached to them. The Principal and Chief Executive, as accounting officer for the College, is also directly responsible and accountable to Parliament, through the Committee of Public Accounts, for the effective stewardship by the College of public funds. The Principal and Chief Executive may be required to appear before the Committee of Public Accounts, alongside the ESFA's Chief Executive, to give an account of the use made by the College of such funds. The Corporation is accountable to Parliament for ensuring the financial health of the College, and to the Courts for ensuring that the College is conducted in accordance with the Education Acts and the general law.

6. **PUBLIC SERVICE VALUES**

Although further education corporations are classified as part of the private not for profit sector for government accounting purposes, they remain public bodies in many legal contexts. In particular, public service values are at the heart of the further education service. High standards of personal and corporate conduct, based on the principles set out in Appendices 1 and 2 of this Code, and the recognition that students and other users of the College's services come first, are a requirement of being a Corporation Member, and should underpin all decisions taken by the Corporation.

7. **SKILL, CARE AND DILIGENCE**

A Corporation Member should in all his work for the College exercise such skill as he or she possesses and such care and diligence as would be expected from a reasonable person in the circumstances. This will be particularly relevant when Corporation Members act as agents of the College, for example, when functions are delegated to a committee of the Corporation or to the Chair. Corporation Members should be careful to act within the terms of reference of any committees on which they serve.

8. **POWERS**

Corporation Members are responsible for taking decisions which are within the powers given to the Corporation by Parliament under sections 18 and 19 of the Further and Higher Education Act 1992, as amended. A summary of those powers is set out in Appendix 6. If a Corporation Member thinks that the Corporation is likely to exceed its powers by taking a particular decision, he or she should immediately refer the matter to the Clerk for advice.

9. **CONFLICTS OF INTEREST**

9.1 Like other persons who owe a fiduciary duty, Corporation Members should seek to avoid putting themselves in a position where there is a conflict (actual or potential) between their personal interests and their duties to the Corporation. They should not allow any conflict of interest to arise which might interfere with the exercise of their independent judgement.

9.2 Corporation Members are reminded that, under the College's Instrument of Government and its requirements regarding Conflicts of Interest and the general law, they must disclose to the Corporation any direct or indirect financial interest they have, or may have, in the supply of work to the College or the supply of goods for the purposes of the College, or in any contract or proposed contract concerning the College, or in any other matter relating to the College or any other interest of a type specified by the Corporation in any matter relating to the College, or any duty which is material and which conflicts or may conflict with the interests of the Corporation.

9.3 If an interest of any kind (including an interest of a spouse, partner or business associate of a Corporation Member or of a close relative of the Corporation Member or his or her partner, spouse or business associate) is likely or would, if publicly known, be perceived as being likely to interfere with the exercise of a Corporation Member's independent judgement, then:-

9.3.1 the interest, financial or otherwise, should be reported to the Clerk;

9.3.2 the nature and extent of the interest should be fully disclosed to the Corporation before the matter giving rise to the interest is considered;

9.3.3 if the Corporation Member concerned is present at a meeting of the Corporation, or any of its committees, at which such supply, contract or other matter constituting the interest is to be considered, he or she should:-

- (a) not take part in the consideration or vote on any question with respect to it and shall not be counted in the quorum for that meeting; and
- (b) withdraw from that Corporation or committee meeting where required to do so by a majority of the Members of the Corporation or committee present at the meeting.

9.4 For the purposes of clause 9.3 “close relative” includes but is not limited to a father, mother, brother, sister, child, grandchild and step-father/mother/ brother/sister/child.

9.5 Where it is proposed that the Corporation should grant a member a financial interest (such as a contract for the supply of goods or services) the Corporation must observe the requirements of the Charities Act 2011. The Corporation may wish to take legal advice before granting such an interest to a member.

9.6 Corporation Members must not receive gifts, hospitality or benefits of any kind from a third party which might be in breach of the Bribery Act 2010 and the College’s anti-bribery policy and its Financial Regulations or be seen to compromise their personal judgement or integrity. Any offer or receipt of such gifts, hospitality or benefits should immediately be reported to the Clerk.

9.7 The Clerk will maintain a Register of Corporation Members’ Interests which will be open for public inspection. Corporation Members must disclose routinely to the Corporation all business interests, financial or otherwise, which they or persons associated with them may have, and the Clerk will enter such interests on the Register. Corporation Members must give sufficient details to allow the nature of the interests to be understood by enquirers. Corporation Members should inform the Clerk whenever their circumstances change and interests are acquired or lost. In deciding whether an interest should be disclosed, Corporation Members should have regard to the meaning given to “interest” in paragraphs 9.3 and 9.5 of this Code.

10. **COLLECTIVE RESPONSIBILITY**

10.1 The Corporation operates by Corporation Members taking majority decisions in a corporate manner at quorate meetings including meetings held by telephone and by alternative methods such as written resolutions, in both cases only if so provided for in the Instrument and Articles. Therefore, a decision of the Corporation, even when it is not unanimous, is a decision taken by the Corporation Members collectively and each individual Corporation Member has a duty to stand by it, whether or not he was present at the meeting of the Corporation when the decision was taken.

- 10.2 If a Corporation Member disagrees with a decision taken by the Corporation, his first duty is to have any disagreement discussed and minuted. If the Corporation Member strongly disagrees, he should consult the Chair and, if necessary, then raise the matter with the Corporation when it next meets. If no meeting is scheduled, the Corporation Member should refer to the power of the Chair or of any five Corporation Members under the College's Instrument of Government to call a special meeting and, if appropriate, exercise it, requesting the Clerk to circulate the Corporation Member's views in advance to the other Corporation Members. Alternatively, as a final resort, the Corporation Member may decide to offer his resignation from office, after consulting the Chair.

11. **OPENNESS AND CONFIDENTIALITY**

- 11.1 Because of the Corporation's public accountability and the importance of conducting its business openly and transparently, Corporation Members should ensure that, as a general principle, students and staff of the College have free access to information about the proceedings of the Corporation. Accordingly, agendas, minutes and other papers relating to meetings of the Corporation are normally available for public inspection when they have been approved for publication by the Chair.
- 11.2 There will be occasions when the record of discussions and decisions will not be made available for public inspection; for example, when the Corporation considers sensitive issues or named individuals and for other good reasons. Such excluded items will be kept in a confidential folder by the Clerk, and will be circulated in confidence to Corporation Members save for those Members who have a conflicting interest in the particular sensitive matter. Some confidential items are likely to be of a sensitive nature for a certain period of time only for example information relating to a proposed commercial transaction or collaboration with another institution. The Corporation should specify how long such items should be treated as confidential or, if this is not possible, such items should be regularly reviewed to consider whether the confidential status should be removed or whether the public interest in disclosure outweighs that confidential status and the item made available for public inspection. The Corporation Members must also consider the personal data that is contained within the excluded items in accordance with the Corporation's obligations under the General Data Protection Regulation 2016 and the Data Protection Act 2018 ("Data Protection Laws") and whether or not disclosure of that personal data would be in breach of the Data Protection Laws or the rights and freedoms of the individual(s) in questions. When considering such issues, the Corporation Members must also consider the College's publication scheme issued under the Freedom of Information Act 2000 and Environmental Information Regulations 2004. Nothing in this section overrides the College's obligation to disclosure in response to a request received under these information law regimes (unless an appropriate exemption applies in each case).
- 11.3 However, staff and student Corporation Members have no right of access to minutes dealing with matters in respect of which they are required to withdraw from meetings under the College's Instrument of Government.

11.4 It is important that the Corporation and its committees have full and frank discussions in order to take decisions collectively. To do so, there must be trust between Corporation Members with a shared corporate responsibility for decisions. Corporation Members should keep confidential any matter which, by reason of its nature, the Chair or members of any committee of the Corporation are satisfied should be dealt with on a confidential basis.

11.5 Corporation Members should not make statements to the press or media or at any public meeting relating to the proceedings of the Corporation or its committees without first having obtained the approval of the Chair or, in his or her absence, the Vice Chair. It is unethical for Corporation Members publicly to criticise, canvass or reveal the views of other Corporation Members which have been expressed at meetings of the Corporation or its committees.

12. **COMPLAINTS**

12.1 In order to ensure that the affairs of the College are conducted in an open and transparent manner and that the College is accountable for its use of public funds but also to its employees, its students and the community it serves, it is important for there to be appropriate complaints procedures in place and for these to be well publicised. Corporation Members are reminded of their specific responsibility under the Articles of Government to make rules specifying the procedures in accordance with which employees may seek redress of any grievances relating to their employment, of the importance of having formal complaints procedures in place to handle issues raised by students, former students and third parties and of the legal requirement to have a whistle blowing procedure in place.

12.2 Under the ESFA's Conditions of Funding Agreement with colleges (clause 15.3), students, employers and other third parties have a right to make a complaint to the ESFA in respect of the College or of any of its decisions. Corporation Members in particular are reminded that under the ESFA's Procedure for dealing with complaints post 16 education and training provision funded by the ESFA (November 2018), the ESFA can investigate complaints about:

- quality, management or experience of education and training;
- undue delay or non-compliance with published complaints procedures;
- poor administration,
- Quality of assessments;
- equality and diversity issues (except where there is a more appropriate mechanism for dealing with the matter through the courts or tribunals or other organisations);
- advanced learner loans;
- apprenticeship providers from employers; and

- from employers, parents or other third parties on behalf of apprentice(s).

12.3 The ESFA will not investigate complaints about

- Issues that are more than 12 months old (except for exceptional cases related to advanced learner loans);
- examination results, grades, marks, assessment outcomes or curriculum content
- individual employment issues,
- governor or other voluntary employment issues:
- contractual or commercial disputes, or arrangements,
- disputes between an employer and a provider in relation to the apprenticeship levy,
- matters which are the subject of legal action or matters that are better investigated by the police,
- the cancellation or reimbursement of advanced learner loans (which could be referred to the student loan company),
- claims for compensation, a refund of fees or costs incurred when a learner has to transfer to another provider,
- issues classified as serial, or
- allegations of fraud, financial irregularity, whistleblowing and allegations of incentives and inducements (which should be directed to the allegations team), and
- safeguarding concerns

12.4 Complaints made by learners following HE courses in FE Colleges are directed to the Office of the Independent Adjudicator for HE.

13. **ATTENDANCE AT MEETINGS**

A high level of attendance at meetings of the Corporation is expected so that Corporation Members can perform their functions properly.

14. **GOVERNANCE DEVELOPMENT**

14.1 The Corporation shall seek to ensure that all Corporation Members are appointed on merit, in accordance with an open selection procedure carried out by the Corporation's Search and Governance Committee, and are drawn widely from the community which the College serves so as to be representative of that community. The Corporation should have regard to the provisions relating to the membership of the Corporation in the College's Instrument

of Government, the need to combat discrimination and to promote equality, and the need to make available a range of necessary skills and experience to ensure that the Corporation carries out its functions under the College's Articles of Government.

14.2 Corporation Members must obtain a thorough grounding in their duties and responsibilities by participating in the College's governance induction and training programmes, including regular refresher workshops.
